As a general pattern, 50% of the marks in a course are through internal assessment and 50% through end semester examinations. A few courses may have 100% of the assessment purely through internal assessment. The thesis, the internship courses and many of the studio courses are assessed through a jury and viva-voce for the end semester examination.
- 6.2 The students shall diligently follow the given internal assessment schedule for the semester including submissions and tests.

## 8. Academic Requirements: The following academic requirements have to be satisfied, in addition to the attendance requirements mentioned in clause 7.

- 8.1 A student shall be deemed to have satisfied the academic requirements and earned the credits allotted to each subject/ course, if the student secures not less than 40% marks in the semester end examination, and a minimum of

40% of marks in the sum total or aggregate of the Internal Assessment and Semester End Examination taken together; in terms of letter grades, this implies securing 'E' grade or above in that subject/ course.

- 8.2 A student failing in any course on the first attempt will not be eligible for any awards, and/or distinctions including the award of Distinction at the end of the course.
- 8.3 A student eligible to appear in the end semester examination for any course, but absent from it or failed (thereby failing to secure 'E' grade or above) may reappear for that course in the supplementary examination as and when conducted. In such cases, the internal marks obtained earlier for that course will be retained, and added to the marks obtained in the end semester supplementary examination for evaluating performance in that course.

## 9. Promotion between Semesters:

9.1. A student shall be promoted from odd to even semester if the minimum requirement of attendance as in clause 7 is fulfilled.

From 4 <sup>th</sup> sem. to 5 <sup>th</sup> sem.	Secured all the credits upto 2 <sup>nd</sup> semester and does not have more than three backlog courses in the 3 <sup>rd</sup> semester
From 6 <sup>th</sup> sem. to 7 <sup>th</sup> sem.	Secured all the credits upto 4 <sup>th</sup> semester and does not have more than three backlog courses in the 5 <sup>th</sup> semester

## 10. Re-admission and Re-registration

10.1 A student detained in a semester due to shortage of attendance, may be re-admitted when the same semester is offered in the next academic year for fulfillment of academic requirements. In such cases of readmission, the student may choose to be readmitted in the same or any other Professional Elective or Open Elective course.

10.2 The academic regulations which are in force at the time when the student will be readmitted shall be applicable along with any prescribed transitory regulations. No grade allotments or SGPA/ CGPA calculations will be done for the entire semester in which student has been detained.

- 10.3 A student detained due to lack of credits, shall be promoted to the next academic year only after acquiring the required academic credits. The academic regulations under which student has been readmitted shall be applicable to him.
- 10.4 If a student fails in a Professional Elective or an Open Elective, the student may re-register for the same or register afresh for any other Professional Elective or Open Elective course respectively in the subsequent semesters. In case of re-registration in the same courses, attendance is not mandatory, whereas registration for any other elective course/s requires the student to attend the classes and fulfill the attendance requirements as per Clause 7.
- 10.5 A student who fails in any course may be permitted the option of re-registering in that subject only if the internal assessment marks are less than 40%, so as to enable him to improve/redo and resubmit the work for internal evaluation. In such cases of re-registration, the student's previous performance both in the internal evaluation and end evaluation in the particular subject/s shall stand cancelled and he/she shall be required to appear for the end semester evaluation again (end examination and /or external jury as the case may be).
- 10.6 The maximum number of courses a student may be permitted for 're-registration' in a semester, is limited to three. Re- registration of any course should be done within 15 days from the date of commencement of class work. A stipulated fee shall be payable towards re registration in any subject.
- 10.7 The student may attend classes in the case of the re-registered courses, if the student wishes. However, the attendance requirement is not compulsory for such courses.

## 11. Grade Points, SGPA and CGPA Calculation

- 11.1. After the results are declared, Grade Sheets will be issued to each student which will contain the list of courses registered during the semester and the performance in each with details of whether passing or failing, credits earned in that semester and the cumulative credits, promoted or not, grade points, the SGPA and the CGPA.
- 11.2. **Grade Points:** The grade points obtained in a subject multiplied by the credits for that subject will be the weighted grade points.

$$\text{Weighted Grade Points (W)} = c * g$$

Where 'c' is the number of credits assigned for the subject and 'g' is the Grade Point obtained as per the Table in clause 9.1 above.

- 11.3. **SGPA:** The sum of the weighted grade points divided by the total number of

credits in a semester will give the Semester Grade Point Average (SGPA).

$$SGPA = \frac{\sum c_i g_i}{\sum c_i} \quad i = 1 \text{ to } n$$

Where n is the number of subjects registered for in the semester, 'c' is the number of credits allotted to a particular subject, and 'g' is the grade-point obtained by the student.

An example follows:

Course Title	Credits	Grade	W. Grade Points
Course X1	3	7	21
Course X2	8	8	64
Course X3	8	7	56
Course X4	7	7	49
Course X5	2	6	12
Course X6	2	6	12
Total	30		214
Semester Grade Point Average (SGPA) = Total WGP/ Total credits =			7.13

- 11.4. **CGPA:** Starting from the second semester, at the end of each semester, a Cumulative Grade Point Average (CGPA) will be computed for every student. This is obtained by dividing the sum of weighted grade point of each subject for all the courses starting from first semester up to and including the semester under computation, divided by the sum of credits for all the subjects starting from the first semester up to and including the semester under consideration.

$$CGPA = \frac{\sum c_i g_i}{\sum c_i} \quad \text{where } i = 1 \text{ to } m$$

Where 'm' is the number of subjects registered for in all the semesters from the first semester up to and including the semester under computation, 'c' is the number of credits allotted to a particular subject, and 'g' is the grade-point obtained by the student as per table in clause 9.1.

- 11.6. The CGPA would indicate the cumulative performance of the student from the first semester up to the end of the semester to which it refers. The CGPA and SGPA will be rounded off to the second decimal place and recorded as such.
- 11.7. When a student gets the grade 'F' in any subject during a semester, the SGPA & CGPA from that semester onwards will not be calculated, until such 'F' grade(s) has been substituted by better grades during a subsequent

semester.

- 11.8. For the purpose of computation of the final CGPA, award of degree, award of the class as in clause 14, and other honors if any, including medals, the performance in the best 228 credits only will be taken into account.

**12. Eligibility for the Award of Degree:** A student shall be eligible for the award of the “B.Tech.(FSP)” Degree if the following academic regulations are fulfilled:

- 12.1. Has pursued the program of study for not less than four academic years and not more than eight academic years. Students, who fail to fulfill all the academic requirements for the award of the degree within eight academic years from the year of their admission, shall forfeit their seat in the program and their seat shall stand cancelled.
- 12.2. Successfully secured at least 228 credits.
- 12.3. Successfully completed the Extension Activity requirements.
- 12.4. Has secured a minimum of 5.0 CGPA
- 12.5. No disciplinary action is pending against the student.

- 13.1. He/she has not cleared any dues to the University/Institution/Hostel.  
 13.2. A case of disciplinary action against the student is pending disposal.

**14. Classification of the Degree Awarded**

- 14.1. After a student has satisfied the requirement prescribed for the completion of the program and is eligible for the award of the B.Tech. (FSP) Degree, he/she shall be placed in one of the four classes as shown in the Table.

First Class with Distinction	1. 8.0 and above of CGPA and should have cleared each and every subject in a single attempt. 2. Should have passed the examination in all the courses of all the eight semesters in the student’s First Appearance within five years, which includes any authorized break of study of one year (clause 3.3). 3. Withdrawal from examination (as per clause 15) will not be considered as an appearance. 4. Should NOT have been prevented from writing end semester examination due to lack of attendance in any of the courses.
First Class	1. Below 8.0 but not less than 7.0 of CGPA and 2. Those students who secured a CGPA of 8.0 and above but have cleared at least one or more subjects in more than one attempt.
Second Class	Below 7.0 CGPA but not less than 6.0
Pass Class	Below 6.0 CGPA but not less than 5.0

Note: In all the above cases CGPA shall be calculated from the Grade Points secured for the best 228 credits

- 14.2. A student who is absent in End Semester Examination in a course after having registered for the same shall be considered to have appeared in that examination (except in the case of approved withdrawal from end semester examinations as per clause 15) for the purpose of classification.

**15. Provision for Withdrawal from Examination:**

- 15.1. A student may, for valid reasons, (medically unfit / unexpected family situations / sports/ etc.) be granted permission to withdraw from appearing for the end semester examination in any course or courses in ANY ONE of the semester examinations during the entire duration of the degree program. The application shall be submitted to the Principal/ Chief Superintendent of the Examination with required documents.
- 15.2. Withdrawal application shall be valid only if the student is otherwise eligible to write the examination (Clause 5) and if it is made before the commencement of the end semester examination in that course or courses and also recommended by the Head of the Department (excepting in the case of any unforeseen incident occurring after registration for the examination, which prevents the student from attending/writing the examination).
- 15.3. Withdrawal shall not be considered as an appearance for deciding the eligibility of a student for First Class with Distinction.
- 15.4. Withdrawal is permitted for the end semester examinations in the final semester only if the period of study of the student concerned does not exceed 5 years.

- 16. Malpractice:** If a student indulges in malpractice in any of the examinations, he/she shall be liable for punitive action as prescribed by the University from time to time.

**17. General**

- 17.1 In case of any doubt or ambiguity in the interpretation of the academic regulations, the decision of the Vice-Chancellor is final.
- 17.2 The University may from time to time revise, amend or change the Regulations, Curriculum, Syllabus and Scheme of examinations.
