ITEM 01: To review the online classes being conducted during the pandemic.

Resolution: The member reviewed the status of online / Offline / Blended classes that are being conducted from April 2020 onwards. School of Planning and Architecture departments have been effectively conducting online / Offline / Blended classes. Members discussed various ways in which faculty of Fine Arts departments could also adapt to online mode of teaching.

ITEM 02: To initiate the process of formulating revised regulations and revision of course structure and syllabus.

Resolution: Keeping in view the Outcome Based Education (OBE) norms, it was resolved to revise the regulations, Course Structure and Syllabus of all programs offered in the University from the admission in Academic Year 2022-23.

ITEM 03: To review the quality of deployment of education in the University.

Resolution: The IQAC has identified the following shortfalls and resolved to initiated steps to address them,

- Strengthening of Research and Development
- Activating Alumni related activities
- Increasing student centric activities
- Initiating Course Outcome (COs) attainment process
- Conducting Entrepreneur Workshops.
